

## Lynbrook Robotics Team Member Donation

The Lynbrook Robotics Program provides a special opportunity for students to explore real-world engineering. This opportunity is provided beyond the public school curriculum. We are financially supported by parent contributions and parent and student efforts to raise funds to meet our annual budget of \$25,000.

Please contribute \$50 for new members and \$100 for returning members. Any contribution beyond this base amount will be matched by our mentors up to \$6,000. Without your support, we will not have this amazing program!

- ☐ **Yes**, I have attached \$50 / \$100 / \$\_\_\_\_\_ to support Lynbrook's Robotics team.
- ☐ **No**, I cannot or do not wish to support Lynbrook's Robotics team with a monetary donation.

*Please make checks payable to: **Lynbrook ASB - Robotics**.*
