Deniz Oktay

Build Season 2010

Boris - I LOVE to file.

Michael wants YOU to build his design.

Karena shows Chinmay how to mill.

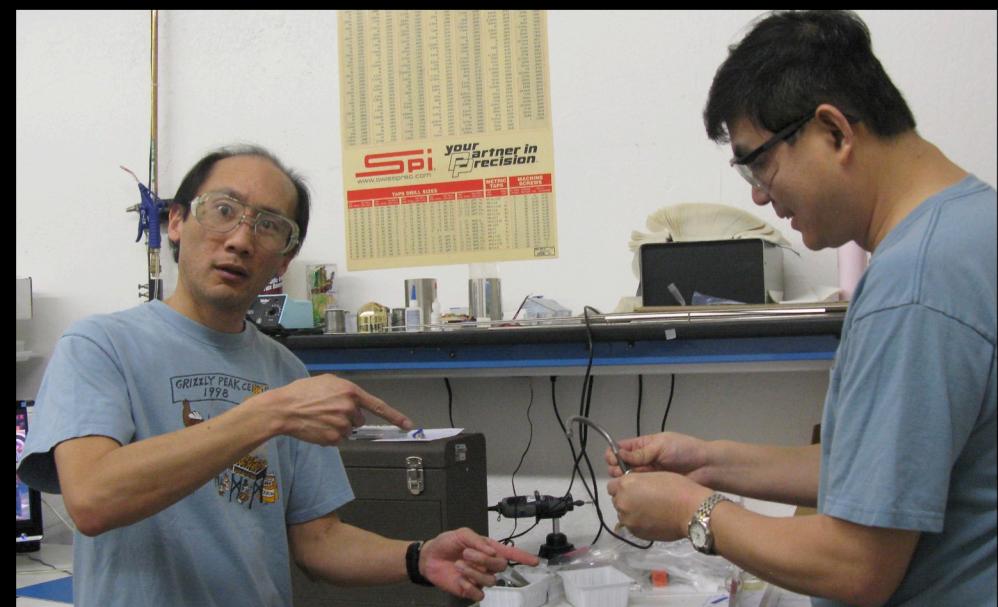

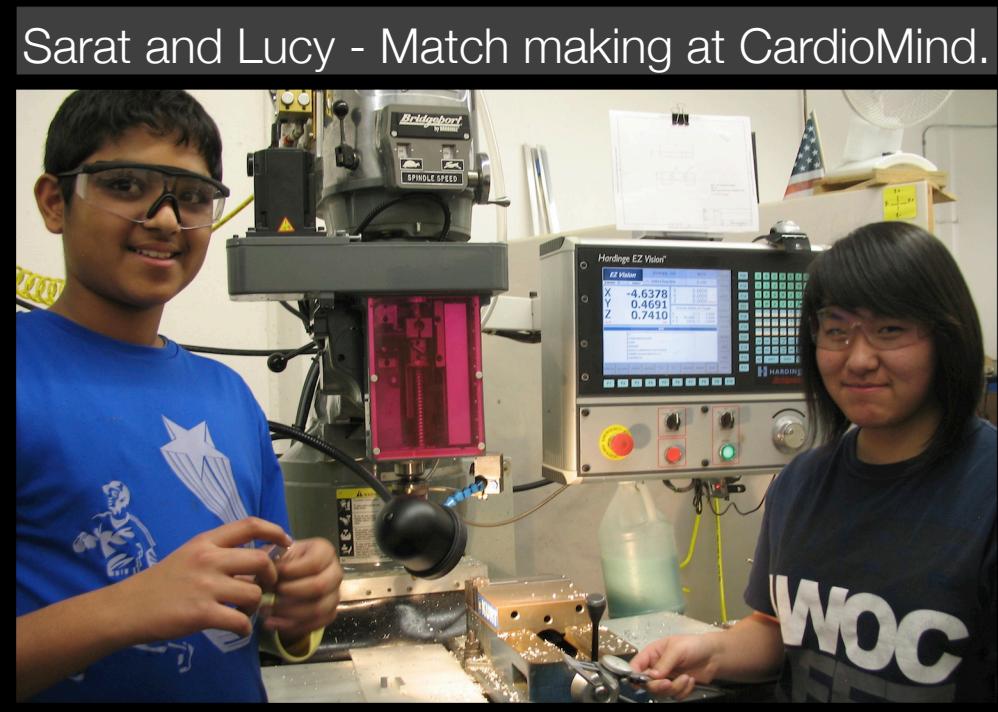

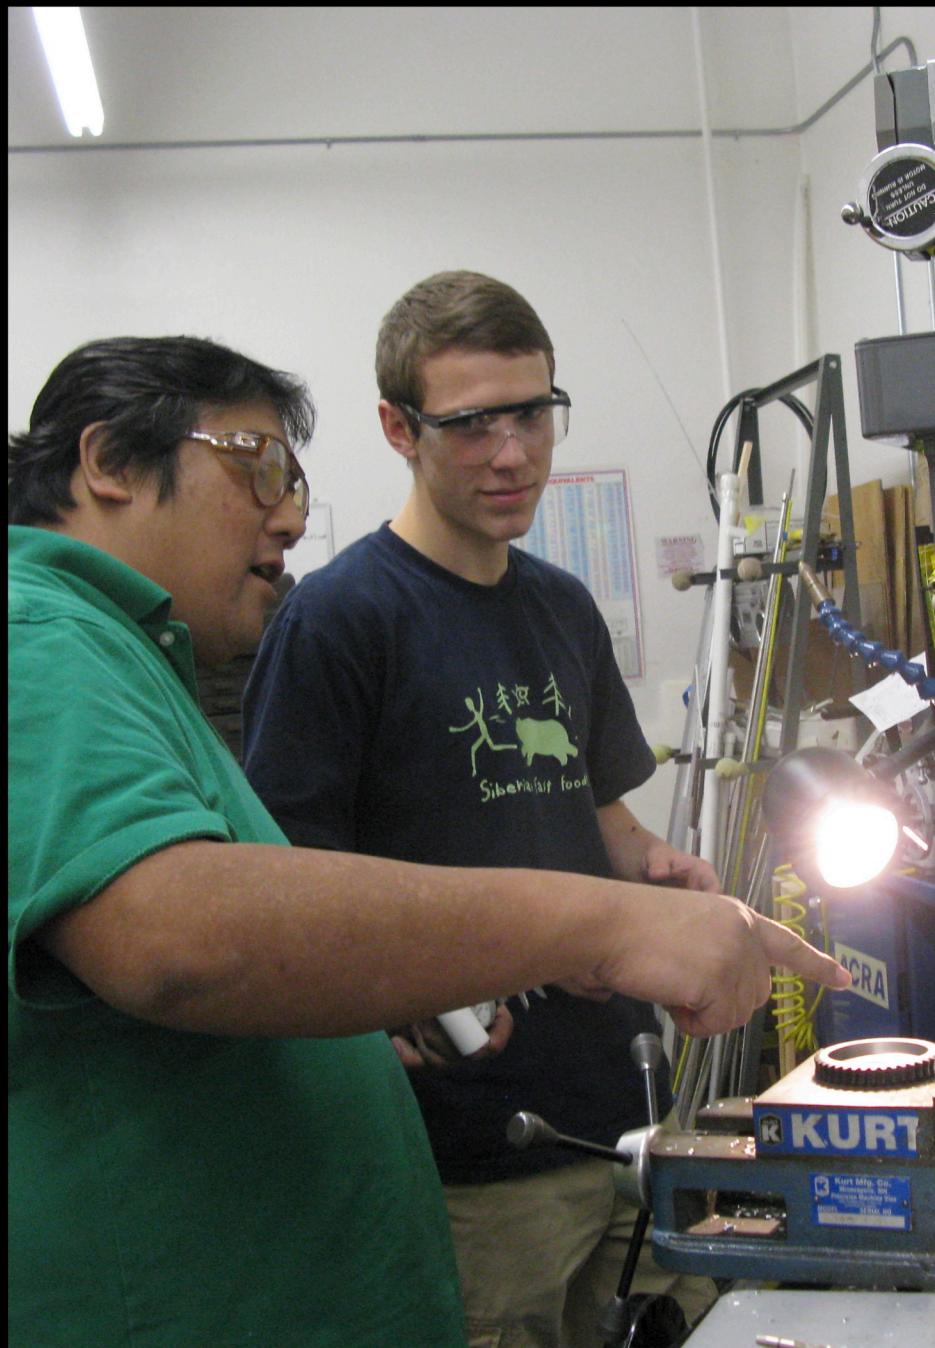

Steve is so hot, sparks fly.

Haochuan, working with Mr. Haas, is not hot enough to make sparks fly.

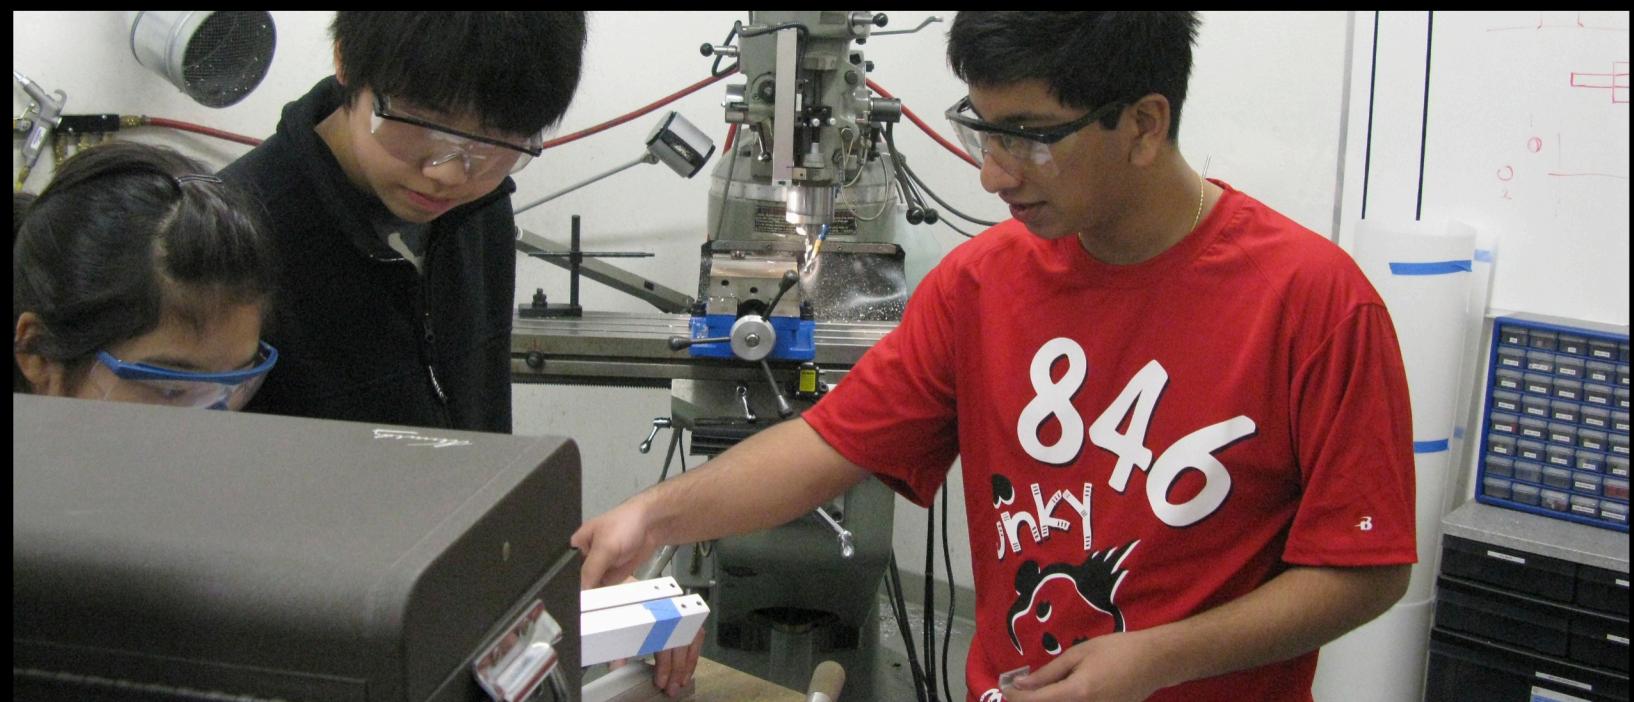

Our CardioMind machinist, Fernando, explains the CNC to Boris

Payton proudly points to the hook he made for our robot.

Let there
be light.
Mr. Cob
welds our
frame at
DP
Products.

Karena,
Alric, and
Chinmay
lay out the
aluminum
bar for our
robot's lift.

Shipping a FULLY COMPLETED robot.

Fundraising and Socials 2010

The Blue Angels - San Francisco Fleet Week

Mrs.Xie - Service with a smile. :]

Toshi and Yuya sell churros to earn big bucks.

"We strive to make our customers happy."

Don't you dare move.

All dressed up for our stop motion video.

Alric about to score the winning shot at our Billiards Social.

Laser Quest - Our annual November Social

Community Outreach 2010

Fight back
Monkey King !
- Our Team
Mascot in the
Tech Museum

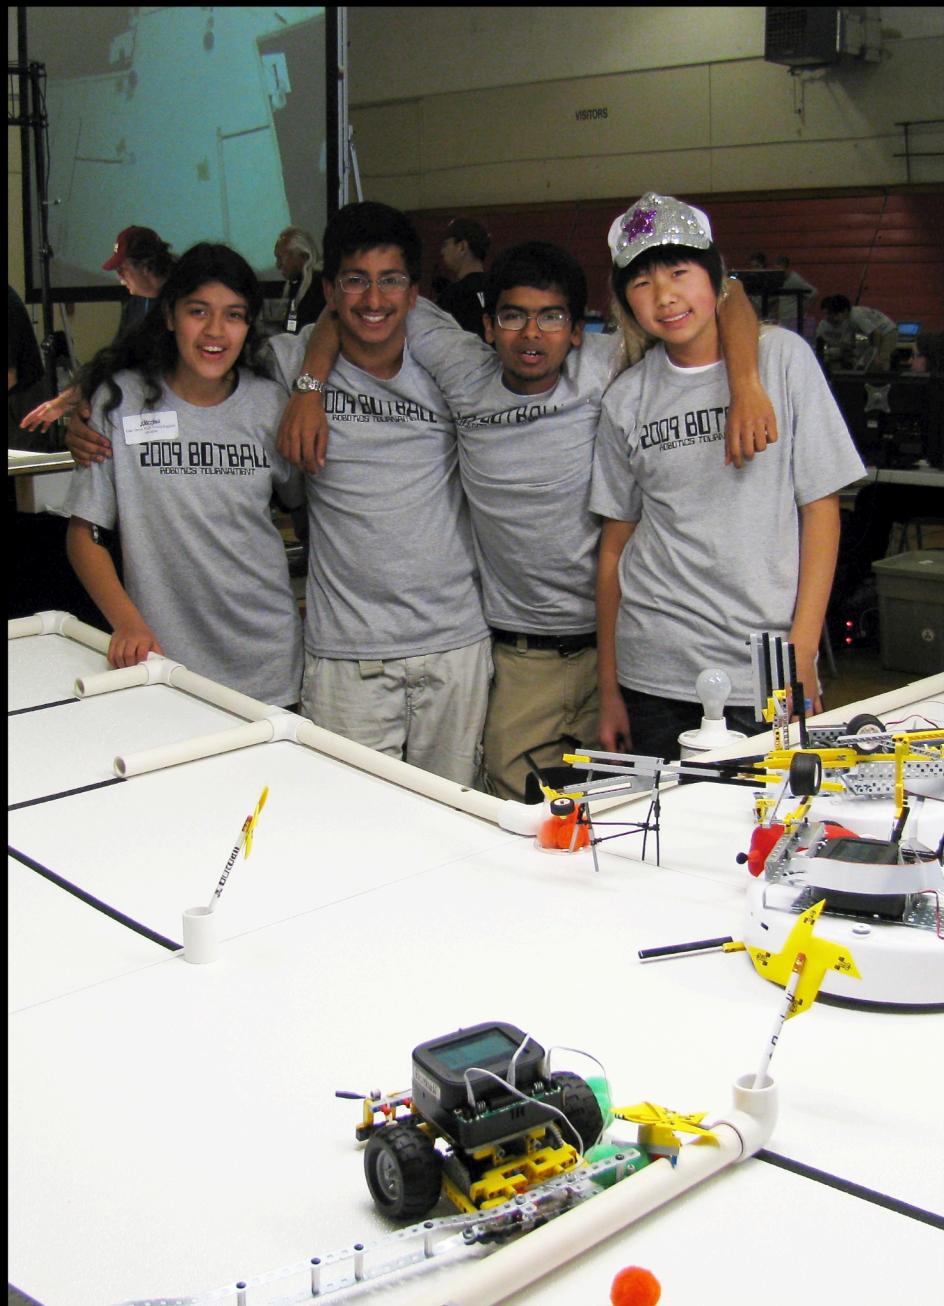

Everybody was
kung-fu
fighting. Our
visiting
Jamaican FLL
Team plays
with our robot
as they learn
about FRC.

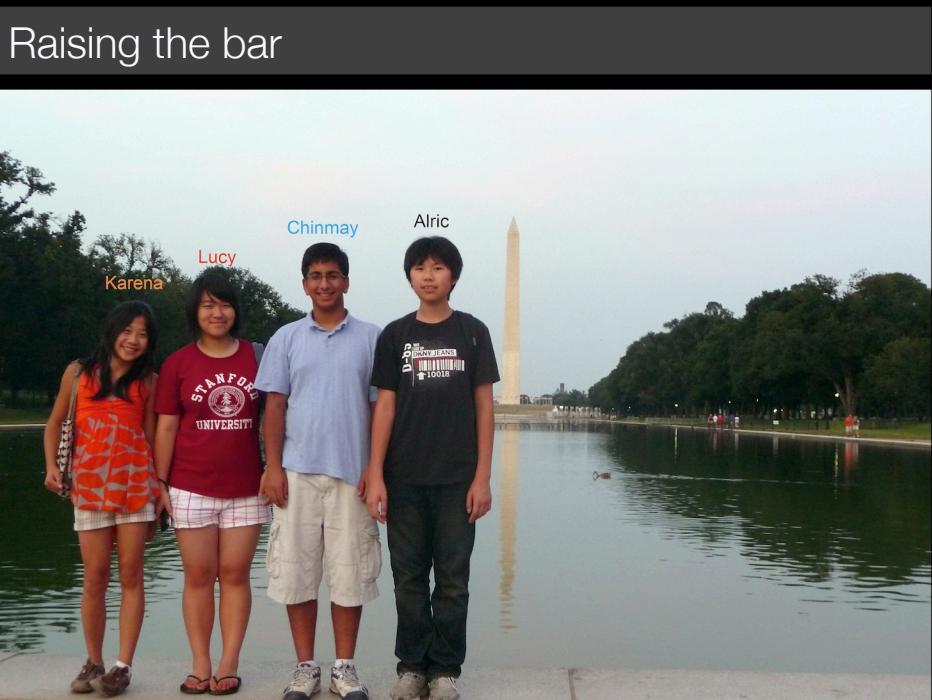

Yuya learns how to drive our robot from our principal, Mrs. Gail Davidson

Aashish likes to hang out with Hanna Montana at the Botball Regional.

Raising the bar

Awards for everyone at the Botball Regional.
